

Christmas 1991

Dear Lorraine,

Will wonders never cease? This makes two letters in the same year. Those almost daily trips to the hospital in Indianapolis didn't give me much incentive to even start one last year.

Earl returned to St. Vincent for one week in January. His incision wasn't healing properly, so the surgeon opened about 7 inches of it to heal from the inside out. PJ became nurse for 5 weeks, cleansing and dressing that incision--his "wound"--three times a day. The Dr. even had a home health nurse visiting twice a week during that time.

Earl's garden was minimal this year, but his strength has gradually returned. He's already started talking about next year's garden. His memory and concentration have started improving as a result of two recent trips to the Chapel Hill UMC Prayer and Praise last month, and some concentrated prayers from the group. He's also begun to be more involved in some of the church activities--Methodist Men and Serendipity group.

PJ attended a 45 year "cluster" reunion in May of her Manchester College graduating class. In early June, at the Swayzee High School Alumni banquet, her class celebrated their 50 year reunion. Both were enjoyable occasions.

In July, we flew to Kansas City and spent an enjoyable 5 days and Earl's birthday with Darrell and his family. Darrell and his neighbors had their own fireworks in their back yards. Grandma played games with Justin and read to Megan during their visit. In August, PJ and her friend, Becky Adams, drove to Chattanooga, TN for Aldersgate '91. This year, conference participants had an opportunity to sing in a conference choir--which PJ took advantage of. It was stimulating, inspiring, and a real joy! In October, the Southport UMC had a Discipleship Celebration and PJ was one of the team members. It had been three years since we participated in a Lay Witness Mission. We hope Earl will feel more able to take part when the next invitation comes.

Janet, Jerry and the three youngest were home for Easter; then J & J were back in August for Janet's 25 year KHS reunion. Shawn spent two weeks here in June. Jim and Mary, with Heidi and her 3 were at Dad's the day before we left for Darrell's. Elaine spent the month of July with Dad (Grandpa Bogue). Patty came here for a week--her first paid vacation. Dottie and Dick came for a week in Sept. to celebrate Dad's 99th birthday. The past two years, Dad has been in Oregon with Dottie on his birthday, Sept. 11.

The local Lion's club helped Dad celebrate with a special party, a certificate, and a letter. We had a small open house for him on Sunday before his birthday. He's looking forward to reaching the ripe age of 100 next year. That will bring a big family reunion! Dad is still able to go to church with us each Sunday and attend Lion's Club each Wed. He did stay with us over New Years when his street was flooded, and for a few days after he fell and cut his head early in the spring.

The KLEIN family and Delano, MN had 14 inches of snow in Nov. and more. Later. Janet has a new job as a service representative for a publishing company. Jerry's parents celebrated a 50th Wedding anniversary in October. Patty, 21, enjoys her work in the office of the Beauty-Craft Supply in Mound. Elaine, 18, will graduate next May. Shawn, 15, is a sophomore and helps his dad fix things. Alicia is 11 and a 4th grader. Nicholas, 7, is a second grader.

The BRONNENBERG family moved from a town house in Chesterfield to a home of their own in Frankton (north west of Anderson) just before school started. Shirley is closer to her work in Alexandria and Jeff drives a little farther to Delco Remy in Anderson. Nikki turns 16 this month and is in 10th grade. She came down with mono a couple weeks before Thanksgiving and has had to have antibiotics for Strep throat in the last couple weeks. Nathan is 14 and in 8th grade and growing tall.

We enjoyed our visit with Darrell, Melissa and the children in Belton, MO. When Darrell went out to adjust a problem with a customer's watering system, he showed us some of ~~the~~ homes that he had landscaped. Justin, 10, is an avid reader, involved in soft ball, and a 4th grader. Megan, 5, enjoys going to kindergarten. Their school is not the same as the one where Melissa teaches.

The WHITE family have purchased the lot just west of their home in Sharpsville. They hope to add on to their house in the future. Linda's trophy shop has changed owners and she has moved from the south end of town to the north end, behind the Dairy Queen. She is taking a speech course at IU-K. Bill's dad, Pete, has had surgery to remove an aneurism in his abdominal aorta and is still hospitalized. He's beginning to show signs of improvement. Sara is 9 and a busy 3rd grader.

Other events of the year--the ice storm in March. It covered Howard and 4 or 5 surrounding counties. We were without electricity (heat and water) for 2 days. Many were without electricity for two weeks! We spent one night with friends who had a fireplace and city water. My cousin, Helen Ault's husband Melvin died in April and Aunt Vetta died in August. We attended both memorial services. PJ participated in the regional hand bell festival in South Bend in Nov. *and the local bell festival in March.*

It has been a year of healing and recovery for Earl, a year of reunions and family visits for PJ and a year of spiritual growth for both of us.

We wish for you the PEACE, JOY, and LOVE of the Christ Child to fill you as you prepare for His coming and celebrate His birth. May they overflow your spirits throughout 1992, bringing faith, health and rich blessings all year long.

Love in HiM.

Earl and Phyllis Jean

*We really enjoyed your Thanksgiving letter. It was good getting to know you better through it. We have a copy machine, so I run off 30, get them ready, then run another 30, till I have all I need. I got the first half dozen in the mail today.*

*Have a blessed holiday season!*
