

Sept 15, 1987

Lorraine Frantz Edwards,
Lancaster, Cal.

Dear Lorraine :

The surname Frantz is one of those families which married into my father's mothers' lineage in approximately 1775. This much I had from my grandfathers' written records.

Evelyn Rosemary Frantz helped me to extend it another three generations in 1982, as she has helped you. I will copy for you what she sent. From her information, I assume that Geo. Adam Frantz came to America the same time as Baltzer Frantz. Question mark on the date, as the family was here in the 1700's.

A comparison of Dates to your listing, to mine, indicates Geo. Adam to have been of the approximate age as your Michael I. Both seem to have lived in Cocalico Twp. in Lancaster Co., Pa. at the same time. Perhaps you now have enough information to connect the two?

I will copy the lineage (mine) back to the Frantz line for you. On my basic lines of Bower and Kimmel, I go back to near 1600 for both. Both lines came from Germany. There is much misspelling, poor typeing and unanswered questions in the E.R.F. 1982 letter such as the date next to the arrival of the ship Adventure Galley. Any way I thank you for Your interest.

Sincerely Yours,

Donald K Bower
Donald K. Bower.
