Dear Frantz Geneologist;

Your name was given me as a Frantz Family Researcher. Former House Speaker, Carl Albert and I have published our Frantz geneology titled "Our Frantz Family". It records the Frantz family from the arrival in the late 1700's of our German immigrant ancestors Adam and Barbara Frantz up to the present time. We have recorded a wealth of information on our older generations accumulated over Carl Albert's lifetime.

It is a beautiful maroon hard-back edition that you will be proud to show and own.

Other prominent familys are Rinker, Pummell, Kellough, Steel and Montgomery.

Books are available for \$22 postpaid at the address at the bottom of the page. If you wish to discuss the book please call (918)355-5030 after 6:00 PM.

Hope you might be interested.

Sincerely,

Ken Choate
