Dear Lorraine

Just read of your ancestry in MENNONITE FAMILY HISTORY, January 1992,
and see that you have the surname SWARTZ.

I've been attempting to find many of the descendants of Andreas
Swartz who emigrated to PA in 1727 with two children and his brother,
Abraham. Over the past 12 years I've accumulated thousands of his
descendants as well as many of his brother. It is my hope to someday
put this together to be shared by others.

I'd be interested to know the ancestry of your Susanna Swartz (Mrs
John Henry Frantz), and perhaps I can be of further help to you.

I see your earlier Alderfer ancestry is in ALDERFERS OF AMERICA, but
stops with your X. Anna F Alderfer 1837-1883, p 194, as incomplete
records.

Looking forward to hearing from you.

Sincerely,

Melva
