

Lorraine Frantz Edwards believes she recognized the handwriting of Ruth Frantz Rhinehart.

She " " " believes her ancestor is "Manor John" and not John, son of Michael Frantz II and Magdalena Zug.

This scrap of information was crumpled in the bottom of envelope labeled "misc" in Evelyn Rosemary Frantz files.

In that Frantz history, they have Michael Frantz #6-28-1767 (mine) marrying Maria Elizabeth Gerst - which is incorrect, as we later learned, & they have Meyer, but they don't have Marian Elizabeth

as her name is given in the Bible of Michael III.
