Dear Lorraine,

June Vaniman called me this morning & she suggested I pass the news onto you.

The people of the City of Girard, Ill., as a fund raiser are having the book "Pleasant Hill" reprinted as Ethel Widdell wrote it, only they are adding an index & photos of the places listed in the book, it also will be enlarged to hold the pictures. Goes to print on May 1, 2002 & finished approx. ~~end~~ middle of June. At this time they think cost approx. \$45.00 per book. They have received many wonderful pictures so they think it will add 70-100 pages more. Their sesquicentennial is 2005. Also they have the Girard Gazette paper reprinted of the year 1891 listing the cities history. Paper sells for \$4.00 or \$5.00 if mailed. If you are interested, you can let me know. My address on front, phone # 217-965-4141.

I probably have met some of your family, as I was born here in Vidua & I am a member of the Vidua Brethren Church.

God Bless,

Verna Schaeferberg
