⁵Binnie, Lester H., Cemetery Records for Pleasant, Chester and Paw Paw Townships, Wabash County, Indiana, (Fort Wayne, IN: Public Library, 1970, 1971, 1983). In the Preface, compiler Lester H. Binnie begins with these words: "This volume is a record of the inscriptions from all the known cemeteries in the three northern townships in Wabash County, Indiana. It also contains records from three cemeteries which are just across the county line, two in Miami and one in Kosciusko County."

Compiler/editor comment: As a family historian, living in Southern California, I value the very thorough presentation of information by Mr. Lester Binnie. I used his book as an example for my own cemetery book (LaVerne Evergreen Cemetery Tombstone Inscriptions). I have been privileged to receive, directly (from Lester Binnie) and indirectly, revised information regarding the cemeteries (and the Early Brethren Families in the Eel River Congregation in Kosciusko and Wabash Counties, Indiana) which another family historian may not find in their Library, p. 18, (d. 84-2-20).

¹⁵Cripe Cemetery (Frantz Cemetery), "Cripe Cemetery, located in Pleasant Township, on the north side of State Road 114 and west of County Road 200 w, or three miles west of North Manchester, Wabash County, Indiana. This cemetery is about 200 feet square. It is fenced from the surrounding pasture land, and in recent years it has received minimum maintenance from a volunteer group from Laketon. Some stones have been removed to the Pleasant Hill Cemetery. Many of the people buried here were early settlers and members of the German Baptist (Dunkard) Church. Parentheses have been used in this report to enclose figures or letters which were indistinct on the stones. This record was made on Oct. 7, 1970 by L.H. Binnie, Rt. 4, Albion, Indiana 46701." Cemetery Records for Pleasant, Chester and Paw Paw Townships, Wabash County, Indiana, compiled by Lester H. Binnie, p. 14, Early Brethren Families, p. 117; Old Cripe Cemetery, "The Old Cripe Cemetery is located a short distance east of the present West Manchester Church house. It is on the north side of State Road 114, overlooking the creek that was formerly an important mill stream. A spot just below the cemetery was used for baptisms as late as 1920, at least. The cemetery has not been used for many years, and several tombstones have been removed to other cemeteries." Early Brethren Families in the Eel River Congregation in Kosciusko & Wabash Counties, Indiana by Lester H. Binnie, p. 32.

"Old Cripe Cemetery, located on a hilltop about two miles west of North Manchester, Indiana. It is on the north side of State Road 114 and overlooking Clear Creek. The area is about 60 x 70 feet, fenced and now overgrown with native trees and myrtle. The stones appear to be in five crooked rows. Parentheses have been used to enclose figures or letters which are indistinct on the stones. This record was made on Sept. 18, 1969 by L.H. Binnie, Rt. 4, Albion, Indiana 46701" Cemetery Records for Pleasant, Chester and Paw Paw Townships, Wabash County, Indiana compiled by Lester H. Binnie, p. 13., Binnie, Lester H., Cemetery Records for Pleasant, Chester and Paw Paw Townships, Wabash County, Indiana, (Fort Wayne, IN: Public Library, 1970, 1971, 1983). In the Preface, compiler Lester H. Binnie begins with these words: "This volume is a record of the inscriptions from all the known cemeteries in the three northern townships in Wabash County, Indiana. It also contains records from three cemeteries which are just across the county line, two in Miami and one in Kosciusko County."

Compiler/editor comment: As a family historian, living in Southern California, I value the very thorough presentation of information by Mr. Lester Binnie. I used his book as an example for my own cemetery book (LaVerne Evergreen Cemetery Tombstone Inscriptions). I have been privileged to receive, directly (from Lester Binnie) and indirectly, revised information regarding the cemeteries (and the Early Brethren Families in the Eel River Congregation in Kosciusko and Wabash Counties, Indiana) which another family historian may not find in their Library, p. 18.
