My Frantz line goes back to the late 1700's in Pennsylvania. But my =
family has no known link to the "kith and kin" that Lorraine Frantz
has =
written about in her three volume genealogy. We are also not related
to =
Mathias Frantz of which a great deal has been published.

~~My~~ Henry Frantz lived in Lebanon County, PA and his son Daniel (1780) and
=
wife (Catherine Shaffer) lived in Union (Snyder) County. Then with =
their son Daniel (1810) and his wife Lydia Swartz, they moved to =
Jefferson County PA where they remained. They were millers by trade.

They were Germans.

Most of the family remained in PA, but a branch went to Iowa. I have
=
considerable information and would like to please share if anyone else
=
is the least bit interested in this "other" family.
