Dear Ann,

Thanks for your inquiry and thanks for sending a copy of what is circulated on the internet re: Frantz Families -- Kith & Kin. Someone copied my advertisement word for word and then put in the wrong ZIP code. It would have been better to misspell something?!?! Also, in my original, I did not put a question mark after Ready for publication later this year? Oh well, what can I say? What can I do?

I received your letter in the mail on Saturday and shortly thereafter sat down to the computer to research your request. Enclosed you will find several types of printouts re: Descendants of Daniel Barnhart.

Frankly, the books Frantz Families -- Kith & Kin will NOT supply you with a measurable amount of information. I have all the enclosed information in my database because they are "collateral lines" but only a portion of these individuals are actually descendants of immigrant Michael Frantz.

I use the genealogy software program called Roots III. I can search information and print many different ways. On page 9 of the "genealogy format" you will find my sources. Some of the publications may be available to you so you can enhance your information on these families.

Note the ahnentafel with Peter Frantz and Hannah Barnhart: See the ancestry of Peter Frantz. However, to my knowledge, Peter and Hannah did not have grandchildren so that is a "twig" and not a "branch." (See also page 11 of descendant report.)

When you study the "descendant report" you will see lots of descendants of Elizabeth Barnhart and Michael Frantz. However, as I told you on the phone, that is a branch of the Christian Frantz I,II, III lineage. Note that I have nothing on your lineage other than the names of Jonathan Barnhart and Susannah Peters.

Glad to help you; good luck with your research; best wishes.

Sincerely,

Lorraine
