Dear Lorraine,

I am researching the HETLER line and found your name and address on the Ancestral File available from the Church of Jesus Christ of Latter-day Saints (Mormon) church and I would very much like to share information.

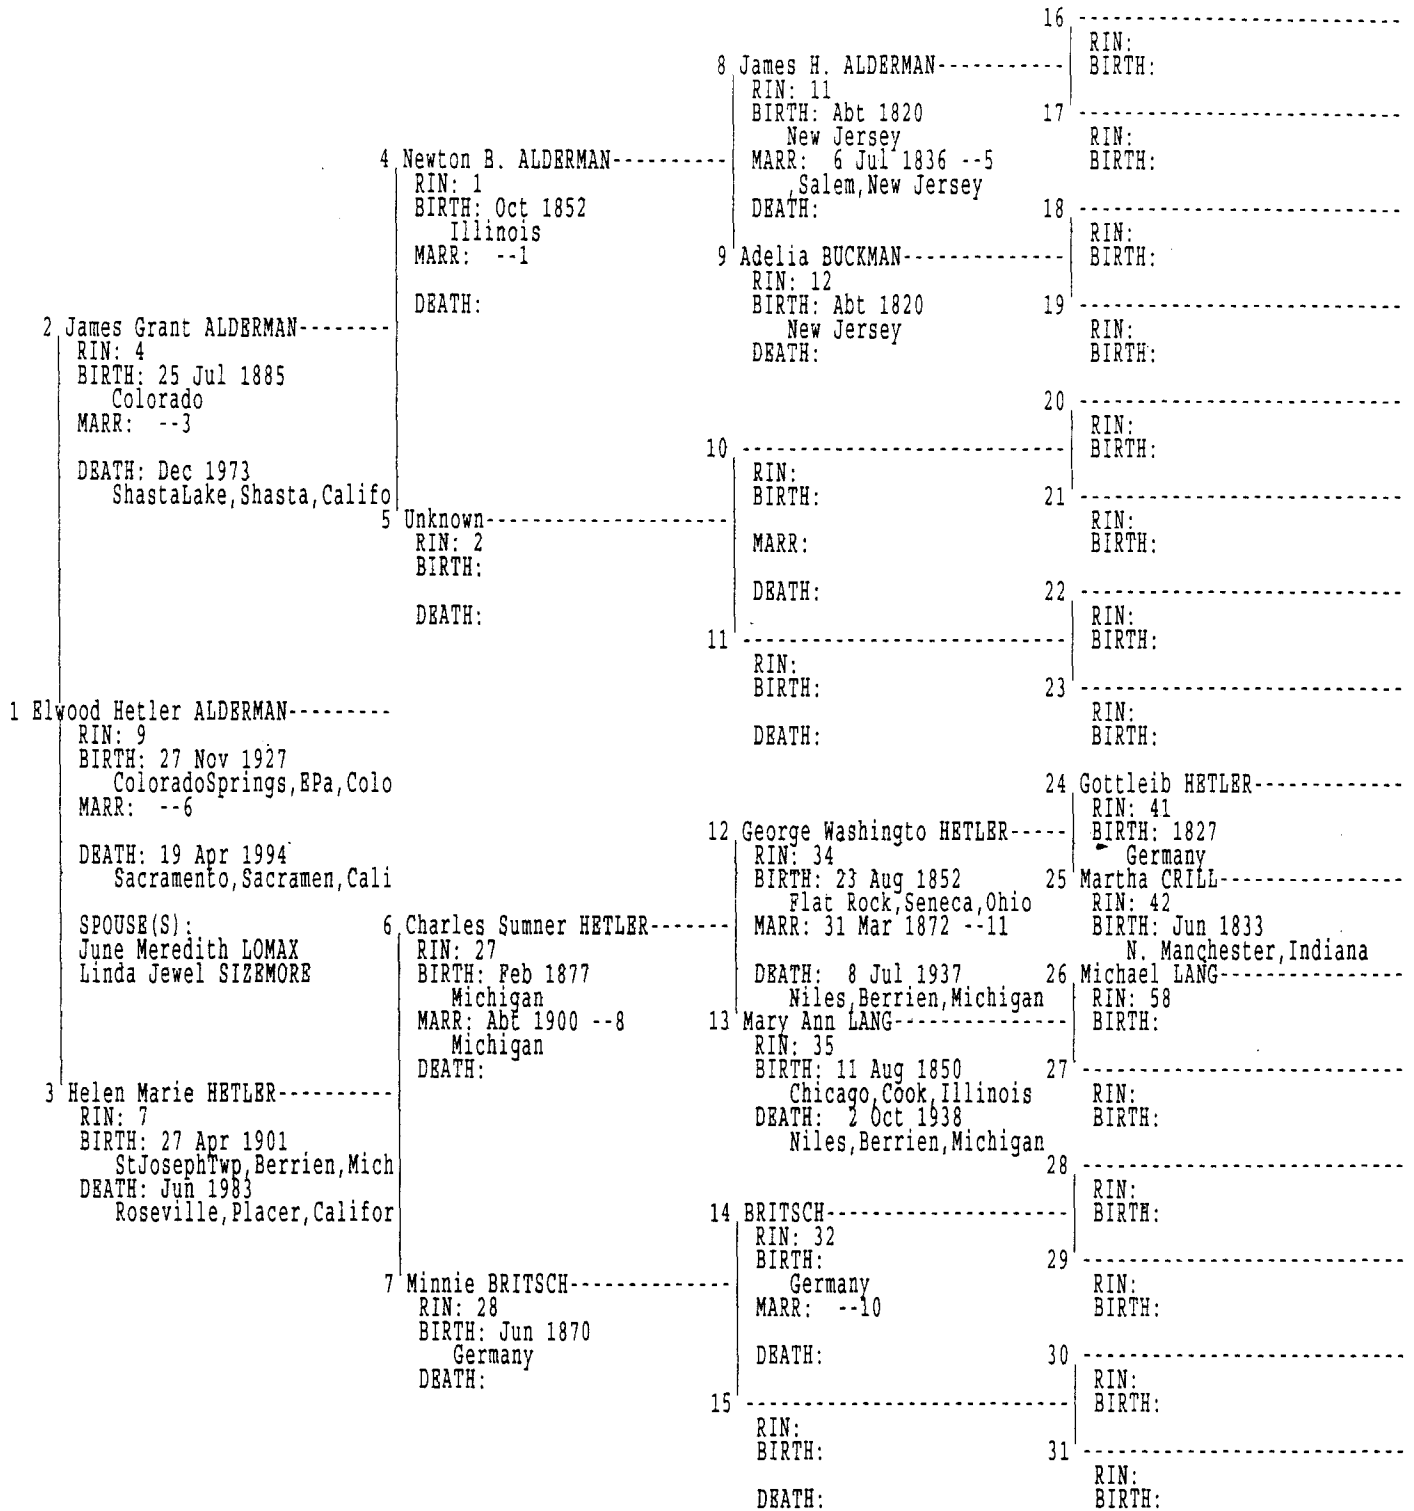

My husbands family is descended from GOTTLIEB HETLER and MARTHA CRILL through their son GEORGE WASHINGTON HETLER. I have enclosed a pedigree chart.

Have you been able to trace Gottlieb much in this country? I have been unsuccessful in finding him on the census records nor have I found any immigration information. Any idea who his parents are? He supposedly spent his youthful years in Seneca County, Ohio, but I sure can't find him or his parents there. I also haven't been able to find marriage info for Gottlieb and Martha. I'm not even real sure that Martha is George's mother. I do know ~~he~~ died in 1872 and he's buried in Berrien County, Michigan.

I look forward to hearing from you!

Sincerely,

GOTTWEB

Dear Linda,

Thanks for your recent correspondence. I see that I can respond to your E-mail address but I have a few pages to mail so will add this note.

I really cannot be of much assistance. William Crill is a "collateral line." I have been documenting the FRANTZ families and have his name because he married the daughter of Peter Frantz. The Ancestral File had the total extent of my information except for "sources."

I'm mailing a four page printout that gives you the benefit of my "sources." I don't know if that will be of any help.

I do not have the names of children for Martha Crill and Gottlieb Hetler. If you have that information, I would appreciate it. Obviously, their children are descendants of immigrant Michael Frantz and I am anxious to document all his descendants -- right down to 1998.

I have been very unique in my approach to the Frantz family. I've documented "female lines" too. (A lot of authors don't attempt to trace female lines.) When I have the information, I document right down to the present with names of children, grandchildren, great-grandchildren, sons-in-law, daughters-in-law, births, deaths, marriages, locations....

Sorry I couldn't answer your questions about Gottlieb Hetler and George Washington Hetler.

Best wishes with your research. Hope to hear from you again.

Sincerely,

Lorraine
