Dear Pamela,

A cousin in Lodi mailed me a copy of the newspaper obituary for your mother. My sympathy to you. I lost my mother about a year ago and I miss her a lot!

As you can see, my maiden name is FRANTZ. I've been doing genealogical research for many years and I have a computer database with over 36,000 Frantz and collateral lines. I searched my database and could not find your family listed.

Would you be able to provide me with some information on your ancestry? With just a little help, I may be able to add your family to an already enormous "tree."

I'm enclosing a self addressed stamped envelope for your convenience. I look forward to your early reply.

Sincerely,

Lorraine Frantz Edwards
