## FIFTY YEARS IN MODESTO DISTRICT

1937 - 1987

This booklet is a smorgasboard of records, information, and statistics of the Modesto district of the Old German Baptist Brethren Church. Some of us talked of doing this about nine years ago and began gathering information. Much of the work was tedious and as we became busy with other responsibilities the work lapsed for several years.

Our fifty year anniversary has rekindled our desire to make this information available to the members of our district and any others who have roots or interest there. Records are small bits of information that can recall memories of the past. They also can stimulate thoughts, hopes and responsibilities for the future. We have found ourselves thoughtfully reading the lists of names, especially the records of baptisms. We can remember many of the occasions, the weather at the time, the size of the crowd and the administrator.

These records are especially precious as they contain information of beloved brethren and sisters and their families, some who are no longer living. Many of these we have loved and respected all our lives and they have influenced our church, our families, our fellowship, our understanding of the Word of God, and our very lives.

Many of them expected the Lord to return for His Bride in their life time, but He has tarried, for "it is not His will that any should perish, but that all should be saved". We know that the time may be very soon, so may we be thankful for the past, diligent in our day and steadfast, unmoveable, always abounding in the work of the Lord.

We want to thank each of you who have shared information with us and helped us prepare this booklet. We give special thanks to James Shuman and Betty Eller for their work in entering information into the typesetter. We have made a sincere effort to ensure that this information is accurate, and trust you will overlook any mistakes.

In Christian love,

"FIFTY YEARS"

There's a church in the valley, its on Rumble Road;  
No lovelier spot in the vale.  
There the gospel of peace, of salvation and love  
Has been preached fifty years without fail.

Fifty years it has been since this church house was built;  
At the time, nearly four miles from town.  
Though the faith of the saints is exactly the same,  
In the countryside, changes abound!

From almonds and orchards to "Orchard Supply",  
From vineyards into "Vintage Faire";  
From peaches to apartments to name just a few,  
Yet faithful, our church is still there.

Still there, through the changes that time has allowed.  
Not just there, but it prospered and grew.  
Looking back o'er the years, take a look at the plans  
Of the building our forefathers drew.

It was built way too big for the need at the time;  
Absolutely made no sense at all....  
A church house that big, when the people are poor,  
And the whole congregation so small?

But our fathers had faith who drew up the plans,  
And their faith should encourage us all.  
With the council rooms filled now and chairs in the aisle,  
Today it is almost too small!

And our prayer for the future; the next fifty years,  
Is continue the work they've begun.  
And may we with the faith that our fathers have had,  
Provide for the years yet to come.

## MODESTO DISTRICT CONSTRUCTION

On June 30, 1937, one week after the district was organized, a council meeting was held in the Prescott Hall. Building plans were finalized and an election was held. Bro. C. J. Rumble and Bro. Hermos Mohler were elected to the ministry. Bro. Jay G. Grover and Bro. Harley Boyd were elected to the office of the deacon.

A locating committee was selected to choose a site for the new church building. The following were on this committee:

Sam A. Miller	Hermos Mohler	Hubert L. Rumble
Ira Grover	Dan Howser	Jay G. Grover
	Clarence Woodbridge	

On July 12, 1937 another council was held and the site on Walnut (Rumble) Road was announced. The other site proposed was the northwest corner of Tully Road and either Orangeburg or Roseburg Avenue, (we could find no record of which one for sure!), a site that was only about one half mile from town at that time. A building and finance committee were selected. They were as follows:

### Building Committee

Hermos Mohler	G. Otto Bowman	Sam Miller
Jay G. Grover	Harley Boyd	

### Finance Committee

Hubert L. Rumble	O. Floyd Flory	Clarence L. Woodbridge
------------------	----------------	------------------------

Ground breaking for the new church building was July 26, 1937. The building site was sloping to the south and the basement was excavated with tractors and scrapers, using the dirt to fill low areas.

A dedication service was held on Nov. 14, 1937 at 2:30 p.m. in the new building. Seven hundred and fifty attended and extra chairs and benches were brought in to accomodate them all. The first hymn lined by Bro. Joel Montgomery was #277. He also read the morning lesson, II Chronicles 5. Bro. Esta Kreiter lined hymn #295 and exhorted to prayer. The text was Acts 5:12 - 42 by Bro. Julius Cabaniss.

After the service, all went to the Stanislaus River to witness the baptism of Howard Flory and Melvin Cowan. These were the 3rd and 4th baptisms in the new district as Kenneth Mohler and Howard Oyler had been baptized in July and October.

The first communion was held on November 30, 1937 and 140 communed. Brethren Julius Cabaniss, Joel Montgomery and Solomon Stoner were our visiting ministers from the East.
