I just got a xerox copy of the Eikenberry book and I am also inputing
it
all into the computer, and it does take a long time. I am currently
getting updates on the lineages that reside in my area, and I also use
references from the books "Descendants of John and Anna Brubaker,
1750-1995" by Marwin E. Brubaker; and "Frantz Families - Kith & Kin"
by
Lorraine Frantz Edwards. Are you checking in with the
Eikenberrys/Ikenberrys in your area?

While I have your attention, I am the listowner of both Eikenberry
Listserver and Flora Listserver. Would you like me to add you to the
subscribers list?

Parkside Convalescent Center is located at:

1230 Monitor
Wenatchee, Washington 98801

It is the crappiest Convalescent Center in the area. My Maternal Grandmother was residing there in 1990, and the NAs wouldn't do spit for her. I had to take one of them by the neck to get them to take some action.

You can contact Adah's brother in-law, Warren Eikenberry at: Eikey@aol.com he resides here in Wenatchee, and there are also FRANTZ descendants that you could add to your records.
